

An aerial black and white photograph of a coastal town. The town is built on a hillside, featuring numerous white buildings with dark roofs. A prominent church with a tall, white bell tower is visible on the right side. The town is surrounded by a dense grove of palm trees. In the background, there is a large, flat area that appears to be a salt flat or a coastal plain, with several white structures scattered across it. A road or path runs through the landscape, connecting the town to the coastal area.
